Re: **Marion Jones**

Dear Senator McCain:

On behalf of my client Olympic Champion Marion L. Jones, I am writing to officially request that in your capacity as Chairman of the United States Senate Commerce Committee you consider convening a public hearing at which the United States Anti-Doping Agency ("USADA") may, for the second time question Ms. Jones concerning USADA's investigation of Ms. Jones in the BALCO steroids matter.

As you may know, Ms. Jones today called for a public hearing where she could answer questions asked of her by USADA. Ms. Jones has already answered these questions twice, once under oath before the federal grand jury, and at USADA's offices two weeks ago.

To satisfy USADA's second recent request that Ms. Jones answer these same questions for a third time, we would like for the session to be held in a public forum, under oath before your Committee.

Thank you for your consideration in this matter.

Very truly yours,

Joseph M. Burton
