Given the current mission, major programs, and major operational objectives of the department/agency to which you have been nominated, what in your background or employment experience do you believe affirmatively qualifies you for appointment to the position for which you have been nominated, and why do you wish to serve in that position?

My 28 years of experience as a U. S. Coast Guard officer have positioned me well for the prestigious opportunity to serve as a Rear Admiral (lower half). I have strong leadership acumen tested over a broad range of functional areas germane to Coast Guard operations and mission support arenas that will serve the organization extremely well. If confirmed, I will staunchly require and enforce the legal, ethical, and practical stewardship of government resources to ensure the organization is steadfast in properly applying management and accounting controls. - 20. What do you believe to be the top three challenges facing the department/agency, and why?**

Significant challenges facing the U. S. Coast Guard include the 2017 Presidential and DHS administration transition; the continued recapitalization of our surface fleet; and mission expansion into the exceptionally dynamic areas of the Arctic and the cyber domain.

Fortunately, Coast Guard leadership, in consultation with the Department of Homeland Security and the Administration, has established strong foundations to navigate these daunting issues. I look forward to the continued opportunity to contribute my talent, effort, and leadership to build upon the proud 226 year lineage of the service.
