

1 Purpose: To improve the bill.

2
3 S. 2503

4
5 To require all aircraft to be equipped with Automatic Dependent Surveillance–Broadcast In, to
6 improve aviation safety, and for other purposes.

7
8 Amendment intended to be proposed by Mr. Moran to the amendment (No. ____) proposed by
9 Mr. Cruz

10
11 Viz:

12 On page 31, strike lines 10 through 14 and insert the following:

13 (1) coordinate airspace usage of military aircraft and rotorcraft with relevant FAA lines
14 of business, including the Air Traffic Organization;

15 (2) coordinate with the Office of Audit and Evaluation of the FAA to ensure employee
16 complaints and whistleblower protections are considered;

17 (3) consider opportunities to improve management and consolidation of aviation safety
18 information system databases to enhance civil and military aviation incident reporting; and

19 (4) carry out the safety review required by subsection (b).
