

1       tive tribe, band, nation, pueblo, village, community,  
2       component band, or component reservation individ-  
3       ually identified (including parenthetically) in the list  
4       published most recently as of the date of enactment  
5       of the Save Our Seas 2.0 Amendments Act pursuant  
6       to section 104 of the Federally Recognized Indian  
7       Tribe List Act of 1994 (25 U.S.C. 5131).

8               “(2) BEST PRACTICES.—The Foundation shall  
9       develop and implement best practices for conducting  
10       outreach to Tribal governments and Indian Tribes.

11               “(3) REQUIREMENTS.—The best practices de-  
12       veloped under paragraph (2) shall—

13                       “(A) include a process to support technical  
14       assistance and capacity building to improve out-  
15       comes; and

16                       “(B) promote an awareness of programs  
17       and grants available under this Act.”.
