AMENDMENT NO. _______  Calendar No. _______

Purpose: To inform the public about the use of personally identifiable information collected by any public unmanned aircraft system.

IN THE SENATE OF THE UNITED STATES—114th Cong., 2d Sess.

S. 2658

To amend title 49, United States Code, to authorize appropriations for the Federal Aviation Administration for fiscal years 2016 through 2017, and for other purposes.

Referred to the Committee on ______________ and
ordered to be printed

Ordered to lie on the table and to be printed

AMENDMENT intended to be proposed by Mr. MARKEY

Viz:

1. On page 51, between lines 11 and 12, insert the following:

   (6) For any unmanned aircraft system that will collect personally identifiable information about individuals, including the use of facial recognition—

      (A) the circumstance under which the system will be used;

      (B) the specific kinds of personally identifiable information that the system will collect about individuals; and

2. On page 51, between lines 11 and 12, insert the following:

   (6) For any unmanned aircraft system that will collect personally identifiable information about individuals, including the use of facial recognition—

      (A) the circumstance under which the system will be used;

      (B) the specific kinds of personally identifiable information that the system will collect about individuals; and

3. On page 51, between lines 11 and 12, insert the following:

   (6) For any unmanned aircraft system that will collect personally identifiable information about individuals, including the use of facial recognition—

      (A) the circumstance under which the system will be used;

      (B) the specific kinds of personally identifiable information that the system will collect about individuals; and

4. On page 51, between lines 11 and 12, insert the following:

   (6) For any unmanned aircraft system that will collect personally identifiable information about individuals, including the use of facial recognition—

      (A) the circumstance under which the system will be used;

      (B) the specific kinds of personally identifiable information that the system will collect about individuals; and

5. On page 51, between lines 11 and 12, insert the following:

   (6) For any unmanned aircraft system that will collect personally identifiable information about individuals, including the use of facial recognition—

      (A) the circumstance under which the system will be used;

      (B) the specific kinds of personally identifiable information that the system will collect about individuals; and

6. On page 51, between lines 11 and 12, insert the following:

   (6) For any unmanned aircraft system that will collect personally identifiable information about individuals, including the use of facial recognition—

      (A) the circumstance under which the system will be used;

      (B) the specific kinds of personally identifiable information that the system will collect about individuals; and

7. On page 51, between lines 11 and 12, insert the following:

   (6) For any unmanned aircraft system that will collect personally identifiable information about individuals, including the use of facial recognition—

      (A) the circumstance under which the system will be used;

      (B) the specific kinds of personally identifiable information that the system will collect about individuals; and

8. On page 51, between lines 11 and 12, insert the following:

   (6) For any unmanned aircraft system that will collect personally identifiable information about individuals, including the use of facial recognition—

      (A) the circumstance under which the system will be used;

      (B) the specific kinds of personally identifiable information that the system will collect about individuals; and

9. On page 51, between lines 11 and 12, insert the following:

   (6) For any unmanned aircraft system that will collect personally identifiable information about individuals, including the use of facial recognition—

      (A) the circumstance under which the system will be used;

      (B) the specific kinds of personally identifiable information that the system will collect about individuals; and

10. On page 51, between lines 11 and 12, insert the following:

   (6) For any unmanned aircraft system that will collect personally identifiable information about individuals, including the use of facial recognition—

      (A) the circumstance under which the system will be used;

      (B) the specific kinds of personally identifiable information that the system will collect about individuals; and
(C) how the information referred to in sub-paragraph (B), and the conclusions drawn from such information, will be used, disclosed, and otherwise handled, including—

(i) how the collection or retention of such information that is unrelated to the specific use will be minimized;

(ii) under what circumstances such information might be sold, leased, or otherwise provided to third parties;

(iii) the period during which such information will be retained;

(iv) when and how such information, including information no longer relevant to the specified use, will be destroyed; and

(v) steps that will be used to protect against the unauthorized disclosure of any information or data, such as the use of encryption methods and other security features.
