November 15, 2016

The Honorable Tom Wheeler
Chairman
Federal Communications Commission
445 12th Street SW
Washington, D.C. 20554

Dear Chairman Wheeler:

Leadership of the Federal Communications Commission (FCC) will soon change. Congressional oversight of the execution of our nation's communications policies will continue. Any action taken by the FCC following November 8, 2016, will receive particular scrutiny. I strongly urge the FCC to avoid directing its attention and resources in the coming months to complex, partisan, or otherwise controversial items that the new Congress and new Administration will have an interest in reviewing. There are certainly many consensus and administrative matters on which the Commission can instead focus its energies to conclude, including several items currently on the agenda for the Open Meeting scheduled to occur on November 17, 2016.

Sincerely,

JOHN THUNE
Chairman
