Mr. Jeremy Pelter
Acting Under Secretary
Bureau of Industry and Security
Department of Commerce
1401 Constitution Ave. NW
Washington, DC 20230

Dear Acting Under Secretary Pelter:

The confidential information you provided regarding Seagate Technology's export license status in a letter dated September 17, 2021, contained public disclosure limitations based on Section 1761(h) of the Export Control Reform Act of 2018. I am writing as a courtesy to inform you that I subsequently received the same information directly from Seagate Technology on a voluntary basis, which obviates the need to follow the disclosure protocol detailed in that statute for releasing the information to the public.¹

Sincerely,

Roger F. Wicker
Ranking Member
Commerce, Science, and Transportation Committee
