13

14 (1) The distance, time, and weather challenges that MH-65 and MH-60 units may face in
15 reaching the outermost limits of the area of operation of Coast Guard District 9 and Coast Guard
16 District 8 for which such units are responsible.

17 (2) An assessment of the advantages that Coast Guard fixed-wing assets, or an alternate rotary
18 wing asset, would offer to the outermost limits of any area of operation for purposes of search
19 and rescue, law enforcement, ice operations, and logistical missions.

20 (3) A comparison of advantages and disadvantages of the manner in which each of the Coast
21 Guard fixed-wing aircraft would operate in the outermost limits of any area of operation.

22 (4) A specific assessment of the coverage gaps, including gaps in fixed-wing coverage, and
23 potential solutions to address such gaps in the area of operation of Coast Guard District 9 and
24 Coast Guard District 8, including the eastern region of such area of operation with regard to
25 Coast Guard District 9 and the southern region of such area of operation with regard to Coast
26 Guard District 8.
