

THE REPUBLICAN ROADMAP

This counteroffer delivers on much of what President Biden provided in his feedback to us during our Oval Office meeting while still focusing on core infrastructure investments. As updated, the Republican Roadmap includes a \$91 billion increase over baseline spending for roads and bridges and a \$48 billion increase over baseline spending for water infrastructure during that period. It also includes a one-time increase of \$25 billion for airports and \$65 billion for broadband, respectively; a \$22 billion increase over baseline spending for passenger and freight rail; and an additional \$6 billion for water storage in the West. **As evidenced by our work on bipartisan drinking water and surface transportation infrastructure bills, we can work in a bipartisan fashion on these priorities and deliver real results.**
