

AMENDMENT NO. \_\_\_\_\_ Calendar No. \_\_\_\_\_

Purpose: In the nature of a substitute.

**IN THE SENATE OF THE UNITED STATES—119th Cong., 2d Sess.**

**S. 3404**

To require a report on Federal support to the cybersecurity of commercial satellite systems, and for other purposes.

Referred to the Committee on \_\_\_\_\_ and ordered to be printed

Ordered to lie on the table and to be printed

AMENDMENT IN THE NATURE OF A SUBSTITUTE intended to be proposed by Mr. PETERS

Viz:

1 Strike all after the enacting clause and insert the following:  
2

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the "Satellite Cybersecurity  
5 Act of 2025".

6 **SEC. 2. DEFINITIONS.**

7 In this Act:

8 (1) **APPROPRIATE CONGRESSIONAL COMMITTEES.**—The term "appropriate congressional committees" means—  
9  
10

11 (A) the Committee on Commerce, Science,  
12 and Transportation and the Committee on

1 Homeland Security and Governmental Affairs  
2 of the Senate; and

3 (B) the Committee on Energy and Com-  
4 merce, the Committee on Space, Science, and  
5 Technology, and the Committee on Homeland  
6 Security of the House of Representatives.

7 (2) CLEARINGHOUSE.—The term “clearing-  
8 house” means the commercial satellite system cyber-  
9 security clearinghouse required to be developed and  
10 maintained under section 4(b)(1).

11 (3) COMMERCIAL SATELLITE SYSTEM.—The  
12 term “commercial satellite system”—

13 (A) means a system that—

14 (i) is owned or operated by a non-  
15 Federal entity that holds a license issued  
16 by the United States for business oper-  
17 ations; and

18 (ii) is composed of not less than 1  
19 earth satellite; and

20 (B) includes—

21 (i) any ground support infrastructure  
22 for each satellite in the system; and

23 (ii) any transmission link among and  
24 between any satellite in the system and

1                   any ground support infrastructure in the  
2                   system.

3                   (4) **CRITICAL INFRASTRUCTURE.**—The term  
4                   “critical infrastructure” has the meaning given the  
5                   term in subsection (e) of the Critical Infrastructure  
6                   Protection Act of 2001 (42 U.S.C. 5195c(e)).

7                   (5) **CYBERSECURITY RISK.**—The term “cyberse-  
8                   curity risk” has the meaning given the term in sec-  
9                   tion 2200 of the Homeland Security Act of 2002 (6  
10                  U.S.C. 650).

11                  (6) **CYBERSECURITY THREAT.**—The term “cy-  
12                  bersecurity threat” has the meaning given the term  
13                  in section 2200 of the Homeland Security Act of  
14                  2002 (6 U.S.C. 650).

15                  (7) **SECRETARY.**—The term “Secretary” means  
16                  the Secretary of Commerce.

17 **SEC. 3. REPORT ON COMMERCIAL SATELLITE CYBERSECU-**  
18 **RITY.**

19                  (a) **STUDY.**—The Comptroller General of the United  
20 States shall conduct a study on the actions the Federal  
21 Government has taken to support the cybersecurity of  
22 commercial satellite systems, including as part of any ac-  
23 tion to address the cybersecurity of critical infrastructure  
24 sectors.

1 (b) REPORT.—Not later than 2 years after the date  
2 of enactment of this Act, the Comptroller General of the  
3 United States shall report to the appropriate congressional  
4 committees on the study conducted under subsection (a),  
5 which—

6 (1) shall include—

7 (A) information on efforts of the Federal  
8 Government, and the effectiveness of those ef-  
9 forts, to—

10 (i) address or improve the cybersecu-  
11 rity of commercial satellite systems; and

12 (ii) support related efforts with inter-  
13 national entities or the private sector;

14 (B) information on the resources made  
15 available to the public by Federal agencies to  
16 address cybersecurity risks and threats to com-  
17 mercial satellite systems, including resources  
18 made available through the clearinghouse;

19 (C) information on the extent to which  
20 commercial satellite systems are reliant on, or  
21 relied on by, critical infrastructure;

22 (D) an analysis of how commercial satellite  
23 systems and the threats to those systems are  
24 integrated into critical infrastructure risk anal-  
25 yses and protection plans;

1 (E) information on the extent to which  
2 Federal agencies are reliant on commercial sat-  
3 ellite systems and how Federal agencies miti-  
4 gate cybersecurity risks associated with those  
5 systems;

6 (F) information on the extent to which  
7 Federal agencies are reliant on commercial sat-  
8 ellite systems that are owned wholly or in part  
9 or controlled by foreign entities, or that have  
10 infrastructure in foreign countries, and how  
11 Federal agencies mitigate associated cybersecu-  
12 rity risks;

13 (G) information on the extent to which  
14 Federal agencies coordinate or duplicate au-  
15 thorities and take other actions focused on the  
16 cybersecurity of commercial satellite systems;  
17 and

18 (H) as determined appropriate by the  
19 Comptroller General of the United States, rec-  
20 ommendations to support the cybersecurity of  
21 commercial satellite systems, including rec-  
22 ommendations on information that should be  
23 shared through the clearinghouse; and

1           (2) shall not include recommendations described  
2           in paragraph (1)(H) for new or changing authorities  
3           or regulations for Federal agencies.

4           (c) CONSULTATION.—In carrying out subsections (a)  
5           and (b), the Comptroller General of the United States  
6           shall coordinate with appropriate Federal agencies and or-  
7           ganizations, including—

- 8           (1) the Department of Commerce;
- 9           (2) the Office of the National Cyber Director;
- 10          (3) the Department of Homeland Security;
- 11          (4) the Department of Defense;
- 12          (5) the Department of Transportation;
- 13          (6) the Federal Communications Commission;
- 14          (7) the National Aeronautics and Space Admin-  
15          istration;
- 16          (8) the National Executive Committee for  
17          Space-Based Positioning, Navigation, and Timing;
- 18          (9) the National Space Council;
- 19          (10) the Office of Science and Technology Pol-  
20          icy;
- 21          (11) the Department of Justice ; and
- 22          (12) the Committee for the Assessment of For-  
23          eign Participation in the United States Tele-  
24          communications Services Sector.

1 (d) BRIEFING.—Not later than 2 years after the date  
2 of enactment of this Act, the Comptroller General of the  
3 United States shall provide a briefing to the appropriate  
4 congressional committees on the study conducted under  
5 subsection (a).

6 (e) CLASSIFICATION.—The report made under sub-  
7 section (b) shall be unclassified but may include a classi-  
8 fied annex.

9 **SEC. 4. RESPONSIBILITIES OF THE DEPARTMENT OF COM-**  
10 **MERCE.**

11 (a) SMALL BUSINESS CONCERN DEFINED.—In this  
12 section, the term “small business concern” has the mean-  
13 ing given the term in section 3 of the Small Business Act  
14 (15 U.S.C. 632).

15 (b) ESTABLISHMENT OF COMMERCIAL SATELLITE  
16 SYSTEM CYBERSECURITY CLEARINGHOUSE.—

17 (1) IN GENERAL.—Not later than 180 days  
18 after the date of enactment of this Act, the Sec-  
19 retary, in coordination with the Secretary of Home-  
20 land Security, shall develop and maintain a commer-  
21 cial satellite system cybersecurity clearinghouse for  
22 the purpose of serving as a repository for publicly  
23 available resources, guidance, frameworks, voluntary  
24 recommendations, and tools.

25 (2) REQUIREMENTS.—The clearinghouse—

1 (A) shall be publicly available online;

2 (B) shall contain publicly available com-  
3 mercial satellite system cybersecurity resources,  
4 including the voluntary recommendations con-  
5 solidated under subsection (c)(1);

6 (C) shall contain appropriate materials for  
7 reference by entities that develop, operate, or  
8 maintain commercial satellite systems;

9 (D) shall contain materials specifically  
10 aimed at assisting small business concerns with  
11 the secure development, operation, and mainte-  
12 nance of commercial satellite systems;

13 (E) may contain controlled unclassified in-  
14 formation distributed to commercial entities  
15 through a process determined appropriate by  
16 the Secretary; and

17 (F) may not contain sensitive security or  
18 proprietary information in the absence of the  
19 establishment and use of a gateway to limit ac-  
20 cess to approved users, as determined by the  
21 Secretary.

22 (3) CONTENT MAINTENANCE.—The Secretary  
23 shall maintain current and relevant cybersecurity in-  
24 formation on the clearinghouse.

1           (4) EXISTING PLATFORM OR WEBSITE.—To the  
2 extent practicable, the Secretary shall establish and  
3 maintain the clearinghouse using an online platform,  
4 a website, or a capability in existence as of the date  
5 of enactment of this Act.

6           (c) CONSOLIDATION OF COMMERCIAL SATELLITE  
7 SYSTEM CYBERSECURITY RECOMMENDATIONS.—

8           (1) IN GENERAL.—The Secretary, in coordina-  
9 tion with the Secretary of Homeland Security, shall  
10 consolidate voluntary cybersecurity recommendations  
11 designed to assist in the development, maintenance,  
12 and operation of commercial satellite systems.

13           (2) REQUIREMENTS.—The recommendations  
14 consolidated under paragraph (1) shall include mate-  
15 rials appropriate for a public resource addressing, to  
16 the greatest extent practicable, the following:

17           (A) Risk-based, cybersecurity-informed en-  
18 gineering, including continuous monitoring and  
19 resiliency.

20           (B) Planning for retention or recovery of  
21 positive control of commercial satellite systems  
22 in the event of a cybersecurity incident.

23           (C) Protection against unauthorized access  
24 to vital commercial satellite system functions.

1 (D) Physical protection measures designed  
2 to reduce the vulnerabilities of a commercial  
3 satellite system's command, control, and telem-  
4 etry receiver systems.

5 (E) Protection against jamming, eaves-  
6 dropping, hijacking, computer network exploi-  
7 tation, spoofing, threats to optical satellite com-  
8 munications, and electromagnetic pulse.

9 (F) Security against threats throughout a  
10 commercial satellite system's mission lifetime.

11 (G) Management of supply chain risks that  
12 affect the cybersecurity of commercial satellite  
13 systems.

14 (H) Protection against vulnerabilities  
15 posed by ownership of commercial satellite sys-  
16 tems or commercial satellite system companies  
17 by foreign entities.

18 (I) Protection against vulnerabilities posed  
19 by locating physical infrastructure, such as sat-  
20 ellite ground control systems, in foreign coun-  
21 tries.

22 (J) As appropriate, and as applicable pur-  
23 suant to the maintenance requirement under  
24 subsection (b)(3), relevant findings and rec-  
25 ommendations from the study conducted by the

1 Comptroller General of the United States under  
2 section 3(a).

3 (K) Any other recommendations to ensure  
4 the confidentiality, availability, and integrity of  
5 data residing on or in transit through commer-  
6 cial satellite systems only for the purpose de-  
7 scribed in subsection (b)(1).

8 (d) IMPLEMENTATION.—In implementing this sec-  
9 tion, the Secretary shall—

10 (1) to the extent practicable, carry out the im-  
11 plementation in partnership with the private sector;

12 (2) coordinate with—

13 (A) the Secretary of Homeland Security,  
14 the Office of the National Cyber Director, the  
15 National Space Council, the Director of the Na-  
16 tional Institute of Standards and Technology,  
17 and the head of any other agency with expertise  
18 relating to cybersecurity or satellite communica-  
19 tions determined appropriate by the Secretary ;  
20 and

21 (B) the heads of appropriate Federal agen-  
22 cies with expertise and experience in satellite  
23 operations, including the entities described in  
24 section 3(c) to enable the alignment of Federal  
25 efforts on commercial satellite system cyberse-

1 security and, to the extent practicable, consist-  
2 ency in Federal recommendations relating to  
3 commercial satellite system cybersecurity; and

4 (3) consult with non-Federal entities developing  
5 commercial satellite systems or otherwise supporting  
6 the cybersecurity of commercial satellite systems, in-  
7 cluding private, consensus organizations that develop  
8 relevant standards.

9 (e) REPORT.—Not later than 1 year after the date  
10 of enactment of this Act, and every 2 years thereafter until  
11 the date that is 9 years after the date of enactment of  
12 this Act, the Secretary shall submit to the appropriate  
13 congressional committees a report summarizing—

14 (1) the general status of any partnership with  
15 the private sector described in subsection (d)(1);

16 (2) the results of consultations with a non-Fed-  
17 eral entity described in subsection (d)(3);

18 (3) the coordination carried out pursuant to  
19 subsection (d)(2);

20 (4) the establishment and maintenance of the  
21 clearinghouse pursuant to subsection (b);

22 (5) the recommendations consolidated pursuant  
23 to subsection (c)(1); and

24 (6) general feedback received by the Secretary  
25 on the clearinghouse from non-Federal entities, in-

1 including overall trends and any proposed changes to  
2 the clearinghouse as a result of the feedback.

3 **SEC. 5. STRATEGY.**

4 Not later than 120 days after the date of the enact-  
5 ment of this Act, the Secretary, jointly with the National  
6 Space Council and the Office of the National Cyber Direc-  
7 tor, in coordination with the Secretary of Homeland Secu-  
8 rity, the Director of the Office of Space Commerce, the  
9 Director of the Office of Science and Technology Policy,  
10 and the heads of other relevant agencies, shall submit to  
11 the appropriate congressional committees a strategy to  
12 support coordination, information sharing, and voluntary  
13 best practices among Federal agencies and private sector  
14 stakeholders relating to the cybersecurity of commercial  
15 satellite systems, which shall include an identification of—

16 (1) proposed coordination roles among relevant  
17 agencies; and

18 (2) as applicable, the extent to which cybersecu-  
19 rity threats to commercial satellite systems are ad-  
20 dressed in—

21 (A) critical infrastructure risk analyses  
22 and protection plans; and

23 (B) activities relating to commercial sat-  
24 ellite systems.

1 **SEC. 6. RULES OF CONSTRUCTION.**

2 Nothing in this Act shall be construed to—

3 (1) designate commercial satellite systems or  
4 other space assets as a critical infrastructure sector;

5 (2) infringe upon or alter the authorities of the  
6 agencies described in section 3(c);

7 (3) authorize the development or implementa-  
8 tion of any rulemaking or regulatory requirement,  
9 including by way of enforcement action or condition  
10 on any license or permit for a commercial satellite  
11 system; or

12 (4) modify or expand existing authorities of the  
13 Committee on Foreign Investment in the United  
14 States or the Committee for the Assessment of For-  
15 eign Participation in the United States Tele-  
16 communications Service Sector.
